Chapter 85

Translator - Doge

Cleaner - Yumhi

Typesetter/QC - Hyakki

He was that boy  
who sat with me just  
a moment ago...

with crystal-  
clear eyes...

Why do you  
search for him?

Because I  
promised...

to stay by his side...

Until when?

His hands...

His next words  
to pinch her  
shoulder in fear?

Until his fully  
maturing...

And then what?

What will you do  
once he fully awakes?

Do you love him?

Why do you ask?

LONG

Why do you  
stay by his side?

For him,  
that sense of  
Zaggy fills the void  
in your heart.

And you choose  
to stay by him.

Will you ask him  
to love for you?

I've heard that  
Dragons must know this planet  
no matter what...

What if he is not  
the kind being that you  
wished for him to be?

What...?

What if he eliminates  
more life on this planet  
than anything else...

And spills more  
blood than any other  
living being?

What if he knew  
how someone that couldn't  
grieve had decided to cheer  
around him?

What if he is heard  
and cheered for the  
rest of his life,

curved to vent  
blood for as long  
as he lives?

He will split  
the skies,  
and scatter  
the birds.

The river beds  
will dry up,  
and the water will  
boil from his rage.

When he becomes  
another's enemy  
like this.

If he's changed  
like that...

There must be  
a reason why.

A reason why  
he was forced to  
change like that...

LOVE MANGA!

Why do you think so?

The Kofunak. I know  
is always truthful to  
me and kind

I could never  
see him turning into  
someone like that

I don't dislike you.

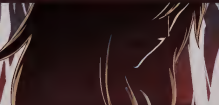

Even if he isn't now

but will in the future.

I will stay by his  
side because I have  
affected him in who  
he becomes.

I can't bring myself to,

because I

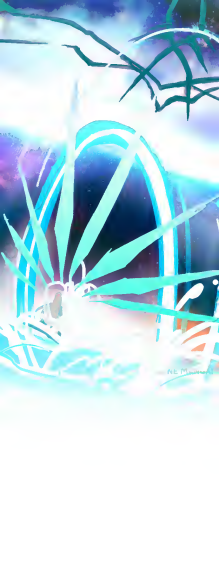

...

you...

Read,

*I like you  
so much!*

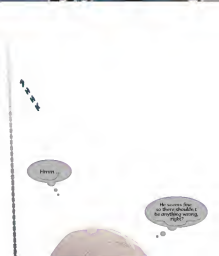

Read,  
your height.

He seems agitated

Hm...

He seems fine,  
so there shouldn't  
be anything wrong,  
right?
